Flat Teardrop Coil Cover w/ Mount, Ignition Switch
& Dakota Digital Speedo (DDH3015) In Chrome

- MC Advantages is the exclusive distributor of these parts from PB Choppers.
- The Diamond and Teardrop Coil Covers are made from 16 gauge steel.
- All covers fit any H-D® Evolution® or S&S® V-Series engine. Minor modification of mount may be required to relocate ignition switch.

- The Flat Teardrop Coil Cover is available with a keyed on-off-start switch and Dakota Digital Speedo (DDH3015, 2 1/16").
- The Cast Teardrop Coil Cover is pre-drilled to install stock H-D® switches. If switch is not required, chrome hole plug is available.

- All covers except for Diamond will receive Spyke® or Dynatek® dual-fire and single-fire coils. Diamond cover can receive Spyke® or Dynatek® dual-fire coils as well as Dynatek® mini coils.
